

4-H AND FFA AUCTION SALE RULES

1. All 4-H and FFA exhibitors may sell one market animal. Sale order will be hogs, steers and lambs.

The Eastern Oregon Livestock Show Auction is a **TERMINAL SALE**. Any animal shown in either a 4-H or FFA market class and deemed eligible for sale, **MAY NOT** be shown in any future market classes in any show. All market animals must meet the guidelines within the 4-H and FFA Premium Books as well as the rules stated within these auction rules to be eligible to sell.

2. Market animals must be weighed between 2:00 p.m. and 8:00 p.m. on Wednesday of the show. Animals should weigh upon arrival at stock show grounds. Owners of any animals that arrive before 2:00 p.m. must have written permission from the FFA General Superintendents for FFA animals or the Union County Extension Agent for 4-H animals acknowledging the reason for early arrival. These animals shall be stalled and must weigh as soon as the scales open at 2:00 p.m.
3. **OFFICIAL SALE WEIGHT** - The official sale weight shall be weight upon arrival less a 2% shrink. *Only one weight will be permitted.* Exhibitors may bring two animals (same species) to weigh in. The first animal to make weight across scale is the one tagged. Second animal must leave the grounds unless it is a ewe lamb and entered in that class. Weighing conditions are identical between 4-H and FFA. No weighing on two scales or later weigh in. If the animal weight is in question, the animal will be taken off scale, the scale re-balanced, then the animal re-weighed immediately. That weight will stand. Prior to show, scales are checked and certified by State Weight and Measurers Division. (If there is an emergency regarding late arrival for market animals weigh in, individuals must call the 4-H or FFA Superintendent to verify at 562-5631.
4. Only animals exhibited in the regular market classes at this show may be sold through the sale. Each member must personally show their market animal in the appropriate **MARKET AND SHOWMANSHIP** classes, and must personally sell in the auction ring. Special situations may be considered with written application to the EOLS Executive Board one month prior to the show.
5. All animals meeting the weight limitations will be evaluated by a qualified judge who will estimate if beef will grade select, choice, or prime; if sheep will grade choice or prime; or if hogs will grade US 1 or 2. The Judges decisions are final.
6. All market lambs grading choice or better must be sold through the sale. Steers grading prime, choice or select must sell in the Auction Sale. Market hogs grading 1 or 2 must sell in the Auction Sale. Lambs grading below choice; standard steers and utility hogs will receive a white ribbon and will not be allowed to sell.
7. The order of sale will be based upon quality (grade) and class placings. For each type of livestock the first sale will be the highest placing animal with the highest grade classification. Within each grade classification, sales will alternate between 4-H and FFA participants.
8. **WEIGHT REQUIREMENTS** - Market **hogs** must weigh between **230 and 280 lbs**; Market **lambs** must weigh between **100 and 155 lbs**; Market **steers** must weigh a **minimum of 1000 lbs. with no maximum weight**, across the scales in order to sell at the Auction. **The official sale weight shall be weight upon arrival less a 2% shrink.**
9. Transfer of ownership takes place at the time of the sale. All Exhibitors will care for their market animals through 6:00 p.m. Saturday night. If your animal is a "Pickup or Take Home Animal", please water your

animal once that species has completed selling. All pickup/take home animals must be checked out with the Auction Office before loading. The Auction Committee will assist in loading out of the animals.

10. **MARKET STEER REQUIREMENTS** - Change of Ownership Slips (not transportation certificates) must accompany all market steers that weigh in.

All **resale steers** (both 4-H and FFA) will be sold on carcass and yield grade. **Any discount taken or premium paid by the re-sale packers will be passed on to the exhibitors.** This means that the exhibitor will be paid on carcass quality plus the premium the buyer bids above market price. Market steers going for re-sale may be charged a feed lot fee for approximately one week if arrangements are made in hopes to prevent "dark cutters."

Exhibitors that sell steers to buyers of locker meat will be paid total price bid on animals using the live grade.

All market steers sold as custom kill at the auction must be left tied with a rope halter at least 3/8-inch in diameter in the areas designated for the Custom Kill Processors. A \$15 penalty will be imposed on those who fail to comply with this rule. All Exhibitors will care for their market animals through 6:00 p.m. Saturday night. All re-sale steers will be turned loose in the location stated by the Auction Committee.

11. **ANIMALS CONDEMNED AT SLAUGHTER** - If an animal is rejected, condemned, or discounted in the slaughter process for any reason, the final buyer would have the option of accepting the floor price of the animal or a comparable worth in meat (if custom killed). The exhibitor would assume this loss.
