*Resale prices may vary greatly from year to year; actual prices are available at the sale.

**Check with your tax preparer, this amount may be deductible.

2. CUSTOM PROCESSING: Buyers may prefer to have the purchased animal processed for their own consumption. Custom processors may require advance booking, be sure to check with your preferred processor prior to auction day. *A list of local processors and their prices are available at the Auction, from the Extension Office or a Auction Committee Member.*

YOUR MONEY AT WORK

The Eastern Oregon Livestock Show, Auction Committee developed this brochure to explain the Livestock Junior Auction to prospective buyers. The 4-H and FFA Livestock Junior Auction is organized to provide a special auction for 4-H and FFA exhibitors to sell their market animals.

All money spent, including Add-On's and funds donated to the "EOLS Auction Pledge Support Fund", for livestock will be paid to the 4-H/FFA exhibitor except a 4% commission of the gross sale. Commission is used to assist with auction expenses and support repairs and maintenance of facilities.

Exhibitors who sell the livestock may use the profits to reinvest in better animals or they may set their earnings aside for future educational expenses.

As a buyer, you are investing in the exhibitors future by encouraging these youth. The FFA and 4-H members are engaged in character-building activities through which they learn community involvement, citizenship, and responsibility in an outstanding atmosphere.

E.O.L.S. Junior Auction Buyers Guide

Eastern Oregon Livestock Show,
Junior Auction
P O Box 1273, La Grande, OR 97850

In our fast-paced world with its high-tech, complicated communication systems and travel, we tend to lose track of the simpler side of life. It's amazing though, how words can conjure up memories of sights, sounds and smells that instantly take us back to our childhood. Every year since 1907, these memories have been made for all East Oregonians. Generation after generation, families have benefited either through participation or just enjoying a day together at the Eastern Oregon Livestock Show.

Our Show is not run by a professional organization that goes from town to town. It is run by local folks, with support from the 4-H Volunteer Leaders, 4-H Staff, FFA Advisor's, the EOLS Board and many volunteers. These folks may be your friends and neighbors, sharing their time to provide a vehicle to recognize the hard work of the youth involved.

4-H is one of the largest out-of-school youth programs in the state. It encourages kids to learn by doing, be it through an animal science project or an art project. It helps kids, grades K-12, develop life skills through projects, leadership activities, and community service opportunities. This Auction supports over 400 kids involved in 4-H.

FFA is a program offered to high school students. It develops leadership, personal growth and career success through agricultural education. It has been in existence for more than 70 years. At this Auction, there are over 300 students involved.

PROVIDE SUPPORT

Attend in Person: The excitement and drama of the auction is an unforgettable experience. Auction Committee members, volunteers and ring stewards will be on hand to assist with your bid.

Proxy Bidding: A proxy bid can be made by contacting Scott Loree and request a proxy bid of your choice. Scott will take your information and a member of the auction committee will place the bid on your behalf. Contact Scott Loree at 786-5714 for questions on this process.

Group Purchasing: If you and other interested buyers wish to pool resources, this is possible by purchasing as a group. If more than two (2) buyers are "pooling" their resources, one bidder number should be acquired. Every effort is made to recognize all contributors.

Lump Sum Donations—"EOLS Auction Pledge Support Program": If you are interested in supporting the Auction, you may make a contribution. Any amount helps the youth, our Committee will group it with other donations and apply to the purchase and resale an animal, or "Add On" to an exhibitor on your behalf.

Add On's: Anyone may "add on" to a specific exhibitor or group of exhibitors. "Add on's" may be made at the Auction Office on Auction Day, or by contacting a Committee Member prior to the day of the Auction.

PURCHASING

Stop by the Auction Office located on the South end of the sale barn and pick up a **bidder number** before the sale begins. Bring a business card if appropriate for quick sign up! When you wish to **place a bid** on the animal in the ring, raise your hand or holler until a ring steward or the auctioneer acknowledges your bid.

Bids: are based on dollars per pound. The buyer is the highest bidder. **Upon** being recognized as the buyer you will be asked for your bidder number and the name of the business or group, which you represent.

QUALITY PRODUCTS

All animals grade at Select or better as determined by a professional judge's evaluation of the live animal.

You obtain top quality pork, beef, goat or lamb. If you choose to "custom cut" your animal, procedures are in place so you receive the same animal you purchase.

SUPPORT

The auction is a great place to show involvement and support for the youth of our community.
