Animals receiving a white ribbon for grade will not be allowed to sell. Within each grade classification, sale order will alternate between 4-H and FFA participants as appropriate.
2. **Overall Show Champion of Species** – An overall species champion of both 4-H and FFA shows will be the first animal to sell in the specie sale order, followed by the Champion and Reserve Champion of the Divisions (per rotation as defined in the program order below).

Exhibitors that sell steers to buyers of locker meat will be paid total price bid on animals using the live grade. All Exhibitors will care for their market animals through 6:00 p.m. Saturday night. All re-sale steers will be turned loose in the location stated by the Auction Committee.
5. **Market Goat Requirements** – It is recommended that market goats be dehorned. If not; horns must be tipped or capped. If an exhibitor chooses not to follow this recommendation, they will be responsible for any discounted price imposed by packer as a result of injury to other animal (by horned animal) or due to horns on their animal. Discount will be deducted from exhibitor's check.
6. Animals Condemned at Slaughter - If an animal is rejected, condemned, or discounted in the slaughter process for any reason, the final buyer would have the option of accepting the floor price of the animal or a comparable worth in meat (if custom killed). *The exhibitor would assume this loss.*
